

Industry Partners

The Institute of Real Estate Management, an affiliate of the National Association of Realtors, is the source of education and professional recognition for managers of all types of income-producing properties. IREM is the only professional association compiled strictly of property and asset management professionals. We offer education and certification and proudly promote the professional competence of our members so as to meet the needs of those who utilize their services.

The Madison Chapter of the Institute of Real Estate Management is composed of over 85 members including Certified Property Managers (CPM®), CPM® Candidates, Accredited Residential Managers (ARM®), and Accredited Management Organizations (AMO®). Our members control managing and purchasing for residential, industrial, retail and commercial properties throughout Wisconsin and beyond.

IREM Madison Chapter No. 82 is offering a unique opportunity for you to deliver your message to a specific target market. The "Industry Partners" program allows your business to be exposed to and involved with a very influential group of decision makers in the property and asset management field.

As property managers, we rely on outside organizations and other individuals to help provide our residents and tenants with the best service possible. You'll find that becoming an "Industry Partner" will be the best use of your time and advertising dollars.

Through our "Industry Partner" program, you will be able to make a contribution and receive benefits as outlined:

\$550 Yearly Membership

- 20% ratio of vendor members to management members
- Listing in the IREM Madison Newsletter
- The ability to attend meetings at member prices
